

Applicant: Richard B. Himmelstein
Application No.: 10/705,674

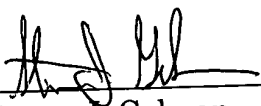

REMARKS

In the Notice, Box 4A was checked indicating that a complete listing of the claims was not present in the Preliminary Amendment filed April 9, 2004. Applicant notes that the application as filed contained claims numbered 22-42; there were no claims numbered 1-21 in the application as filed. Accordingly, in the Preliminary Amendment, the new claims were numbered beginning with 43, per 37 C.F.R. §1.126 and as presented in this Reply.

The undersigned apologizes for any confusion this may have caused, and respectfully requests that the claims as presented be entered in the present application.

Respectfully submitted,

Richard B. Himmelstein
